Course Description: The course will look at the <i>what, how</i> and <i>why</i> of language teaching in a practical way. Participants' previous language learning (and teaching) experience as well as topics from the corresponding lecture (The Theory of ELT) will be drawn upon in discussing various aspects of English language teaching. The approach is task-based and course members will be asked to plan, try out (peer teach) and reflect upon a variety of classroom activities.
