Abbreviations:

tm = term mark (for seminars), e = exam (for lecture courses), ts = teacher's signature

C = compulsory; E = elective (to be chosen from a wide range of courses with elective codes)

A strong prerequisite is the indicator of the course whose completion is the prerequisite(s) for registering for the course, while weak prerequisites can be taken parallel in the same semester as the course.

* Students must do 12 credits from the group of elective courses during the 6 semesters.

** During the program, the student has to complete TWO out of the four research paper courses (general psychology, developmental psychology, social psychology, personality psychology).
