Credit Point Value:	*Number of Lessons per Week:*	*Type of Course:*	*Method of Evaluation:*
2	*2 X 45 mins sessions*	***Seminar*** ☐ ***Lecture*** ☐	***Oral Examination*** ☐ ***In-Class Group Presentation*** ☒ ***Other*** ☐

Course Description:

The Course will consist of a series of power-point presentations on the History of the development of the English Language in the countries where it is spoken as a first or second native language, including the United Kingdom, Republic of Ireland, Canada, Australia, New Zealand, Jamaica, Barbados, Trinidad, the United States and South Africa. It will trace an outline of the varieties of dialects from Saxon times to the present day. Each participant will be expected to make a detailed presentation about a given topic (twenty minutes, including questions and answers).
