**Course Description:**

The course builds on the Genki I and II textbooks (circa JLPT N4 level) to develop Japanese language skills, with a focus on new grammatical structures and situational usage (respect language, sociolinguistic features, etc.). The aim is to reach a level approaching N3 by the end of the course. The focus is on the discussion of grammatical structures, but time is also devoted to active language use. Students will also be required to prepare a presentation in Japanese, which will be presented and discussed in class.
