### **Course Description:**

The aim of the Language Practice course is to improve students' general English language proficiency in three of the language skills: listening, speaking and reading. These skills are developed in preparation for the complex language exam ("Basic Exam") after the third semester held for Károli University students. Language development is based on Modules 1-5 of the textbook "Pioneer," Level C1/C1+.

Requirements: weekly attendance (six absences are allowed altogether); two in-class progress tests (30-30% of the final grade), three in-class short quizzes (10-10-10%), active participation (10%).
