Course Description:

In our I/O psychology seminar we mainly focus on practical knowledge and skills one can use in I/O psychology as a consultant or psychologist. The seminars are based on interactive tasks, team work, case study analysis and personal experiences of the participants. Additionally we touch upon the major theories, models and methods of I/O psychology. The evaluation is based on an in-class presentation of a selected topic of I/O psychology.

Bibliography:

No compulsory bibliography. Sseminar attendants will be provided online sources of I/O psychology.
