**Course Description:**

The aim of this course is to acquaint students with the basic concepts and terminology of phonetics and phonology, the rules of standard British pronunciation, analysing data and phonetic transcription using Gimson's version of the IPA.

Requirements: students are allowed a maximum of 3 absences during the term. Grading will be based on the result of the 2 in-class tests (45% each) as well as on active participation and preparation (10%). The average of the two tests must be at least 50%.
