<p>Course Description: The aim of this course is to help students build up a good working knowledge of English grammar. The topics to be discussed will include Noun classes, Determinatives, Number, Gender, Case, Structure of NPs, Postmodification in NPs, Pronouns, Articles, Adjectives, Adverbs, Prepositions, Comparison, and Adverbial clauses. The course is intended to serve as a follow-up seminar covering areas that are dealt with in the lectures on the noun phrase (ERPB-BAN 2180). There will be continuous assessment during the course. Grading will be based on these tests, a mid-term test, an end-of-the-term test and on willingness and ability to participate in classroom discussions.</p>
