Abbreviations:

tm = term mark (for seminars), e = exam (for lecture courses)

C = compulsory; E = elective (to be chosen from a wide range of courses with elective codes)

* A "strong" prerequisite means that students can not enrol for a course without having completed the strong prerequisite. A "weak" prerequisite means that students can enrol for a course which has a weak prerequisite, but the requirements of the weak prerequisite course have to be met before a grade can be given for the other course.

** Students must do 12 credits from the group of elective courses during the 6 semesters.

¹ Students with a Stipendium Hungaricum Scholarship are obliged to complete two courses in Hungarian as a foreign language during the first two semesters of their studies, and will have to take an examination at the end of the second semester. The credits given for these courses will constitute part of their credits in the elective courses block.

The grade of the defended thesis will be entered into the Neptun system under the code BTKSZD 5998 (0 credits) by the Registrar's Office.

Students will be registered for BTKSZD 5998 by the Registrar's Office.
