

**Rector's Order No. 5/2021. (VI.02.)/R  
on the amendment of Rector's Order No. 9/2020. (VIII. 18.)/R**

On the basis of the provisions of Article 32 (1) of the Organisational and Operational Rules of Károli Gáspár University of the Reformed Church in Hungary (hereinafter referred to as the University), I issue the following order on the amendment of 9/2020. (VIII. 18.)/R Rector's order on the organisation and implementation of the academic year 2020/2021 (hereinafter Rector's order No. 9/2020. (VIII. 18.)/R) in compliance with Article 1 (1) of Government Decree 283/2020 (17 June) introducing a state of epidemiological preparedness:

1. § In Preamble 1.2 of 9/2020. (VIII. 18.)/R Rector's order "modified on 31 August 2020" is replaced by "amended several times".

2. § Point 9.1 of 9/2020. (VIII. 18.)/R Rector's Order under the subheading Travel rules concerning university citizens, travelling abroad and returning from abroad shall be replaced by the following:

„9.1. When planning official trips and travelling abroad in the framework of staff and student mobility, employees and other persons employed by the University under an employment contract should take into account

9.1.1. the recommendations of the Consular Service,

9.1.2. the entry rules in force in the countries of destination and transit,

9.1.3. the terms and conditions of the travel company,

9.1.4. the rules of the authorities in the host country,

in compliance with Article 1 (3) and Articles 2-4 of Government Decree 408/2020 (30 August) on travel restrictions during the period of state of epidemic preparedness and the university rules for the organisation of official trips in Hungary and abroad and student mobility.

Employees of the University travelling for private purposes have to take a paid or, if this is not possible, an unpaid leave to comply with the compulsory quarantine after the trip.

The costs of the coronavirus tests required by law for entry into Hungary shall be borne by the employee or by the student – whether they are travelling abroad for private or non-private purposes –, and not by the University. Students returning from abroad shall take the responsibility for the consequences specified in the legal provisions for the health and epidemiological situation valid at the date of returning back to Hungary. When entering the buildings, residence halls, colleges for advanced studies the student who has just returned from abroad should go through a pre-triage screening – questionnaire (Annex 2), and measuring body temperature.”

3. § The parts of 9/2020. (VIII. 18)/R Rector's Order issued earlier, which are not affected by the amendment, remain in force.

4. § (1) The order shall enter into force on 2 June 2021, and shall become enforceable on the day of its entry into force.

(2) This order shall expire on the day after its entry into force.

Budapest, 2 June 2021
