

BUDAPEST SUMMER SCHOOL FOR CHRISTIAN LEADERSHIP 2019

The world needs you!

**UNLOCKING YOUR
POTENTIAL TO SHAPE THE
FUTURE AND MAKE A BETTER
WORLD!**

Károli Gáspár University
of the Reformed Church in Hungary

What to expect?

THIS SUMMER SCHOOL IS ABOUT YOU!

Preparing you for a professional future that will be exciting and meaningful. We will coach you in capturing your own future in spite of the fact that you will never be able to predict your future.

YOUR 'PROMISED LAND'

We will tackle the real tough questions in life:
Why me? Why am I placed into this world?

We will look at concepts like “*your personal promised land*” and
how to discover and conquer it.

We will be taking a lot of time to
operationalise your professional
dreams into down-to-earth business,
ventures or creation of workplaces.

Why is the Budapest Summer School of Christian Leadership *special*?

WE COMBINE

our personal faith with our professional and academic life. You will find it most inspiring how we will be treating the Bible as a personal handbook for a life journey.

TOGETHER WITH YOU

we will design the curriculum of the school.

'TAILOR MADE'

Hence the learning experience will be tailor made to your personality, your aspirations and professional and personal background.

We call it school, but you will not be "at school".

You will be experiencing an interactive workshop atmosphere. The workshop will take place at various places in Budapest, depending on discussion topics. You will be meeting political, religious and other leaders and appreciate Hungarian history at locations where it all happened.

That is why Budapest!
